

Amr M. Rashad

Roads Construction Engineer at Ministry of Transport (Egypt)

+2015-5511-7366
+2010-2577-1088

PERSONAL INFORMATION

Full Name	Amr Mansour Muhammad Rashad Muhammad Ali
Date of Birth	January 5, 1995
Nationality	Egyptian
Military Service	Exempted
Marital Status	Single
Position(s)	Roads Construction Engineer at the Central Administration for Roads Construction and Maintenance, General Authority for Roads and Bridges, Ministry of Transport (Egypt).
Email(s)	Amr.Mansour.Rashad@gmail.com
My Blogger	https://bebestengineer.blogspot.com/
More Info	https://www.linkedin.com/in/BeBestEgy

EDUCATION

2022 – Until Oct.	Now	Registered for Ph.D. in Civil Engineering (Highway and Airport Engineering), Department of Civil Engineering, Aswan University, Egypt. Home: https://aswu.edu.eg/en/
2019 – 2022 Nov.	Sep.	M.Sc. in Civil Engineering (Highway and Airport Engineering), Department of Civil Engineering, Minia University, Egypt. Home: https://www.minia.edu.eg/minia/home.aspx

— MASTER THESIS

Title	Applicability of Optimized Numerical Models of Slope Stability of Road Embankments Adjacent to Water Channels under Traffic Load		
Description	The theoretical study was divided into three parts: the first part was the verification of the program and evaluation of the software's optimization function for generating composite slip surfaces; the second part was to study the effect of the traffic load applied at different distances from the slope edge; the third part was to study the effect of soil nailing on the slope stability of road embankments under traffic load using the optimized method.		
2018 – 2019	Pre-Master's Degree in Civil Engineering (Highway and Airport Engineering),		
Oct.	Sep.	Department of Civil Engineering, Minia University, Egypt.	
		Home: https://www.minia.edu.eg/minia/home.aspx	
		Overall years grade: Very good	
2013 – 2018	Bachelor of Civil Engineering, NAHDA University in Beni Suef, Egypt.		
Sep.	Jul.	Home: https://www.nub.edu.eg/	
		Overall years grade: Excellent (A+) with honor's GPA 3.95 (93.67 %), the top of the class	

— GRADUATION PROJECT

Title	Design of NAHDA freeway
Description	Highway Geometric and Structural Design (AutoCAD Civil 3D in Design Section, Advanced Excel)
Project Grade	Excellent (A+), 98%

PROFESSIONAL EXPERIENCE

- **Tenure Track at General Authority for Roads and Bridges, Ministry of Transport (Egypt):**
- | | |
|--------------|---|
| 2023 – Until | Roads Construction Engineer at the Central Administration for Roads |
| Oct. Now | Construction and Maintenance and Ph.D. Student |
- **Tenure Track at Department of Civil Engineering, Faculty of Engineering, NAHDA University in Beni Suef, Egypt:**
- | | |
|-------------|--------------------------------------|
| 2022 – 2023 | Assistant Lecturer and Ph.D. Student |
| Oct. Oct. | |
| 2018 – 2022 | Demonstrator and M.Sc. Student |
| Oct. Oct. | |

HONORS

- Jul., 2017 **The Excellent Student Award** at Faculty of Engineering, NAHDA University in Beni Suef, Egypt.
- The Second Place**, Excellent Student Award at NAHDA University in Beni Suef, Egypt.
- Sep., 2019 **The Excellent Demonstrator Award** at Faculty of Engineering, NAHDA University in Beni Suef, Egypt.

FACULTY AND EXTRACURRICULAR ACTIVITIES

- | | |
|----------------------------|--|
| Faculty activities | <ul style="list-style-type: none">• Supervisor of training students at the National Research Center during the summer training period, Sep 2022 (https://www.nrc.sci.eg/) .• Member of the study schedules committee at the faculty of engineering, NAHDA University in Beni Swef.• Member of the Academic Guidance Committee at the faculty of engineering, NAHDA University in Beni Swef.• Organizing and supervising students for scientific visits in the Civil Engineering Department of Al-Nahda University Egypt New Capital- Zamil Industrial - Fourth Line (Cairo Metro).• The organizer of the Civil Engineer's Day, Department of Civil Engineering, Faculty of Engineering, Nahda University 2021. |
| Extracurricular activities | <ul style="list-style-type: none">• Founder and Admin Blogger “Be Best Engineering” I Share Information, Files and Courses online about Civil Engineering ... I Got 150,000 View's in 2 years.• Union Students Member “21 November 2016 to 15 March 2018”, I Started Working as Honorary Member at Union Students Faculty of Engineering and Computer Sciences, NAHDA University.• Acting NAHDA University as Competitor for Ibda3 Competition 5 and 6 at (Writing Articles, Writing Short story, Ideal student, and The Cultural information League) Competitions. |

- Acting NAHDA University as Player for Egyptian Universities Championship (Alshahed Refaay) No 43-44 (2015-2017) team which Basketball.
- Attending several sessions in human development, communication skills, presentation skills& leadership skills.

LANGUAGES

Arabic Native
English Fluent

TEACHING EXPERIENCE

Laboratory experiments, and practice sessions of the following undergraduate:

Computing Public works Projects (Civil 3D and Excel), Project Management Projects (Primavera and Excel).

Laboratories Fluid Mechanics Laboratory, hydraulics Laboratory, Surveying Laboratory, Highway Materials Laboratory, Soil Laboratory.

Engineering Highway Engineering, Transportation and Traffic Engineering, Public works Projects, Project Management, hydraulics Engineering, Design of irrigation Engineering, Topographic and Photogrammetric Surveying, 0Sanitary Engineering, Environmental Engineering, Fluid Mechanics.

TRAINING EXPERIENCE

2024 – 2024 **The Egyptian Military Academy “Cairo.”**
Mar. Aug. Internship period for recruitment to the Ministry of Transport (Egypt)

2016 – 2016 **ORASCOM Construction industries “6th October city, Cairo.”**
Jul. Aug. Attending Some Sessions as: Session on Surveying, Shop drawings, Project management and the planning& QC departments

2016 – 2016 **AL-ZAYTOONAH University of Jordan “Amman, Jordon”**
Aug. Aug. “1 Aug. 2016 – 31 Aug. 2016” Exchange program between NAHDA University and AL-ZAYTOONAH University of Jordan “ARAB COUNCIL FOR TRAINING STUDENTS OF ARAB UNIVERSITIES”

2015 – 2015 **Malaysia Perlis University (UniMAP) “Perlis, Malaysia”**
Aug. Sep. “23 Aug. 2015 – 13 Sep. 2015” Exchange program between NAHDA University and Malaysia Perlis University (UniMAP).

TECHNICAL SKILLS

OS Windows, DOS

Microsoft Office Advanced in Word, Excel, and PowerPoint

Programming

- AutoCAD
- Civil 3D
- InfraWorks
- Surfer
- Etabs / Safe / Sap2000
- Primavera
- HTML: Create and Manage my Blogger

Scientific

- Plaxis 2D
- GeoStudio
- MATLAB

Leadership Work planning, job distribution, following, trainer

MEMBERSHIPS

Member in the following organizations:

- Egyptian Engineers Syndicate, Egypt

RESEARCH INTERESTS

- Highway Engineering, Transportation engineering, Soil Nailing, Slope Stability, Numerical Analysis, Traffic Load, geotechnical engineering.

TRAINING COURSES

COURSES SPONSORED BY

**Nahda Continuing
Education Center**
Nahda University

**Central Unit of IT
Training (CUIT)**
Minia University

**Faculty and Leadership
Development Center
(FLDC)**

COURSES AND CERTIFICATES

Exam systems and student assessment, Aug 2022.

Introduction to Excel, Aug 2022

Crisis Management, Aug 2022

<https://ncec.nahdauniversity.org/index.php>

Fundamentals of digital transformation certificate (5 mandatory modules + 2 electives Mobile app and web editing), Apr 2021.

This certificate is valid from 02/2021 to 01/2026

<https://www.minia.edu.eg/>

Ethics of scientific research and writing scientific research (P4), Feb 2021.

<https://www.minia.edu.eg/>

English Proficiency Exam (EPE), Which is equivalent to TOEFL, and obtained a score equivalent to (573) on the test, Jul 2021.

This score is valid for 3 years from the date of the exam.

<https://www.minia.edu.eg/>

- **Search global databases and manage scientific references – EndNote**, Nov 2020.

- **Statistical analysis using SPSS**, Nov 2020.

<https://www.minia.edu.eg/>

- **Effective Presentation Skills**, Jul 2019

- **International Publishing**, Jul 2019

- **Statistical analysis**, Jul 2019
